Docket No. CP2013-80

NOTICE CONCERNING SATISFACTION OF CONDITIONS OF ORDER NO. 1832

(Issued October 22, 2013)

On October 18, 2013, the Postal Service filed notice that it has agreed to an amendment to the existing Parcel Select Contract 7.¹ The Postal Service includes one attachment to the Notice:

- Attachment A—a redacted copy of the amendment to the existing Parcel Select Contract 7.

The Postal Service also filed the unredacted amendment under seal.

In Order No. 1832, the Commission conditionally approved Parcel Select Contract 7 based on the Postal Service's representations that Paragraph I.E.3 of the contract contained an error that would be remedied by an amendment.² Specifically, the Commission stated that "[i]f the forthcoming amendment contains only a revision of the date in Paragraph I.E.3, the condition will be satisfied, and the contract is authorized through September 30, 2016." *Id.* at 5.

¹ Notice of United States Postal Service of Change in Terms Pursuant to Amendment to Parcel Select Contract 7, October 18, 2013 (Notice).

² Order Adding Parcel Select Contract 7 to the Competitive Product List and Conditionally Approving the Associated Negotiated Service Agreement, September 11, 2013 (Order No. 1832).

The Notice and its accompanying amendment appear to satisfy the condition set forth in Order No. 1832. Accordingly, no further Commission action is necessary. The amendment will be included as part of the record of this proceeding.

By the Commission.
